

Blackboard Discussion Tutorial

Step 1

Click on the “Communication” link located in the navigation area.

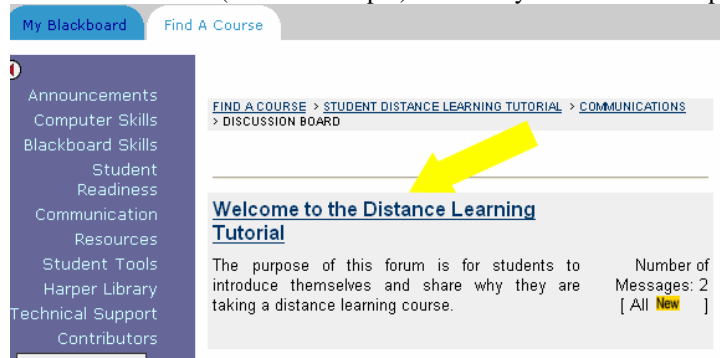

Step 2

Next, click on the “Discussion Board” link.

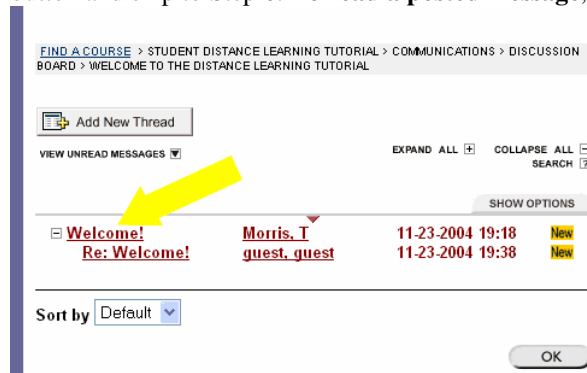

Step 3

Click on the forum (discussion topic) in which you would like to participate.

Step 4

To add a new thread (start a new discussion related to the general forum topic), click on the **Add New Thread** button and skip to Step 6. To read a posted message, click on the message subject link (not the poster’s name).

Step 5

To reply to a message, click the "**Reply**" button.

Subject: Welcome!

Hil

My name is Terry Morris and I'd like to welcome you to this tutorial. Please reply to this message with a brief statement about why you are taking a distance learning course.

Step 6

Modify the subject if needed and type your response in the message area. Notice that there are some word processing tools available for you to use. Click the "**Submit**" button to post your message. If you have changed your mind and do not want to post a message, click the "**Cancel**" button.
