

Sending an E-mail with an Attachment

1. Sign in to your Harper Student Portal at <http://my.harpercollege.edu>.
2. Click the E-mail icon located at the top right side of your portal page to access your free Harper email account.
3. Type the information for your message as usual. Be sure to follow instructions provided by your instructor for the subject of the e-mail. Usually it is a good idea to include the course number in the subject. Also, include your name in the body of the e-mail message.
4. Now, click the **Attach** link.

5. The **Browse** button displays.

6. Click the **Browse** button. Navigate through your drives to locate the file to attach. Click **Open**.
7. If you need to attach another file, click the **Attach another file** link.

Then navigate to the file and click the **Open** button.

8. When you are ready, click the **Send** button.

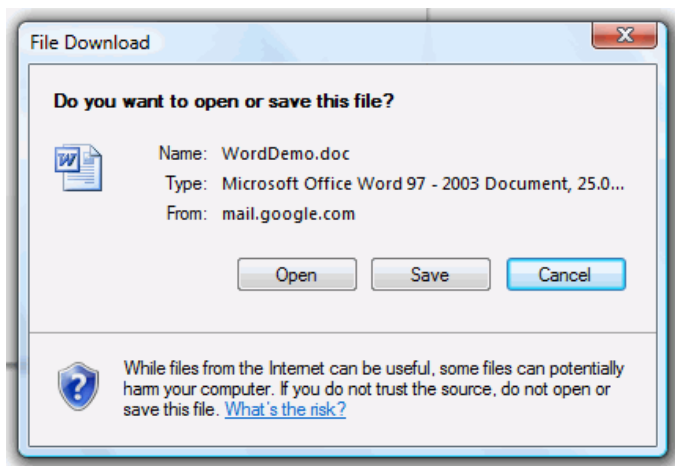

Viewing an E-mail Attachment:

1. Sign in to your Harper Student Portal at <http://my.harpercollege.edu/f>.
2. Click the Email icon located at the top right side of your portal page to access your free Harper email account.
3. Your **Inbox** will display. A small paperclip icon  displayed after the message subject indicates an attachment.
4. Open the e-mail message as usual by clicking on either the Sender or the Subject.
5. Scroll down to the bottom of the e-mail. You will see the file name and several options for opening the file, as shown in the image below.

- **View as HTML** will display a version of the document in a web page.
 - **Open as a Google document** will display the document within Google Docs, Google's web-based document sharing application.
 - **Download** will download a copy of the file to your computer.
6. Click **Download**. The **File Download** dialog box displays, as shown below.

Do one of the following:

- If you do not trust the sender or are not expecting the attachment, think carefully before opening or saving the attachment. (Click the **Cancel** button to stop the download.)
- To open and view the attachment, click the **Open** button.
- To save the attachment, click the **Save** button to save the file to your computer.
